

Atrian Technical Services acquires Barloworld Logistics, and in this way adds Supply Chain solutions to its services portfolio.

On June 3, Atrian Technical Services (ATS) acquired Barloworld Logistics, S.A. in order to widen its services portfolio, creating a new division called Atrian Supply Chain.

Barloworld Logistics is a company dedicated to provide global logistics services to top clients in sectors such as automotive sector and petrochemical sector.

With this acquisition, Atrian increases
up to 3 its current services divisions:

Atrian Industry

Maintenance services and industrial assembly

Atrian Infrastructures

Maintenance services and installations to tertiary sector

Atrian Supply Chain

Solutions in the supply chain

Thereby, Atrian becomes a Company with near 500 workers, based in Barcelona, Madrid, Tarragona, La Coruña, Huelva, Seville, Vitoria and Lisbon, and with a projected turnover for 2015 that stand at 52 millions euros.
